YOUNG PROFESSIONALS

Welcomed to the Community

PATHWAYS to Giving

In June, the first recipients of the Talent Attraction Program (TAP) scholarship were welcomed to the community during a reception in their honor. Six young professionals have made Hamilton their home thanks to the TAP scholarship assistance.

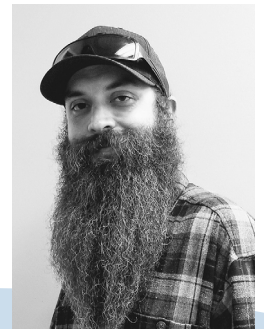

The Talent Attraction Program Scholarship was designed to attract young professionals to live in Hamilton's urban core and work in the city of Hamilton or Butler County. Providing up to \$10,000

to assist with their student loan debt, the program is another innovative scholarship offered by the Foundation.

According to recipient Josh Chaney who resides in the Marcum Apartments, Hamilton is in a state of resurgence right now and it's a great time to be in Hamilton. "I think that's what I've enjoyed the most, is that we're really here at the right time, to help contribute, to make a really significant impact on the community."

SPOTLIGHT ON NEW FUNDS

Establish a fund at the Foundation

Daniel Francis Pate Memorial Fund

Danny Pate was a history teacher at Hamilton High School and beloved Badin alum, class of 1988. At Hamilton High, Danny coordinated the school's participation in the

annual Civics' Day program. Through this program, he encouraged students to learn more about city government. He taught his students with enthusiasm and instilled in them a love for social studies and civic responsibility.

One of Danny's strongest values was acceptance of all. He had zero tolerance for discrimination of any kind. Danny was an active, avid and very devoted football coach. He

started his coaching career with CYO. For many years, he committed endless hours to the development of young men through the sport of football. Danny truly cared for the overall well-being of each player. His teams experienced losses and victories with character and pride. He inspired and challenged many and will always be remembered as an amazing football coach.

To honor his memory, the Pate family established this fund at the Hamilton Community Foundation to support tuition for students at Stephen T. Badin High School as well as other mental health organizations in the community. Daniel passed away June 23, 2012.

The Hamilton Community Foundation began with one \$5,000 fund nearly 70 years ago. Today, more than 900 charitable funds are managed by the Foundation.
