RCF Scholarship Recipient

**\$2,000**

The Arts, Hunger, Education and Human Need are areas of focus for the first round of grants by the Ross Community Foundation. We were able to pour close to **\$30,000** into **our community**, thanks to our donors. We look forward to continuing our efforts to increase our impact here at home. You can still help! Make the call today to find out how *you* can make a donation or start a fund that will support this community now and into the future. Call Martha Mehl at 513-738-0909 or Katie Braswell at 513-863-1717 for more information. Visit [www.rosscommunityfoundation.org](http://www.rosscommunityfoundation.org) to learn more about the wonderful initiatives and programs supported through our first grant process!

**Give Where You Live**
