

Helping local organizations sustain and grow

Designated Fund

Establishing a Designated Fund allows you to support the good work of a specific nonprofit organization. Because it's given through your community foundation, your gift provides the organization you select not only funding, but planned giving and investment management services and the power of endowment.

How it works

- You identify an organization that you wish to benefit.
- You make a gift to your community foundation—you can give cash, appreciated stocks, real estate, or other assets.
- We set up a special fund in your name or in the name of the nonprofit organization you choose. (Permanent funds require a minimum balance of \$5,000)
- You receive tax benefits in the year your gift is made.
- Our board issues grants to the designated nonprofit organization.
- We handle all the administrative details, including managing specific qualifications that you may establish for grant disbursements.
- You receive updates on the impact the fund is making.
- As with any Foundation fund, you have the option to place your gift into our community grants endowment. Earnings from your fund are used to make grants addressing community needs. Your gift—and all future earnings from your gift—can be a permanent source of community capital, helping to do good work forever.

A source of strength and stability

The Fitton Center for Creative Arts isn't just a building - it's an experience. They are a non-profit arts organization that has been a part of the community for over twenty-five years. As a nonprofit they rely on the continued support from donors as well as volunteers to help them bring the arts in many forms to the community. Several donors who love the mission of the Fitton Center have created permanent funds to benefit them in perpetuity. Through the creation of the designated funds, the Fitton Center annually receives funds to assist them with their operations.

"This annual support is critical to the Fitton Center's budget and we are appreciative of every donation--big or small," commented Fitton Center CEO.

"The arts have been proven excellent tools for revitalizing communities, aiding in the abatement of social problems, providing benefits in the area of health and wellness, and helping students to be more successful in school. More benefits

A Designated Fund provides you a wonderful way to give back to one or more specific organizations that have touched your life. Your gift provides more than just funding— your favorite organization will benefit from your community foundation's investment stewardship and ability to manage endowment funds. Because your community foundation handles the details, the nonprofit organization's staff is freed up to focus on its mission. And, the community foundation can facilitate even the most complex forms of giving, such as planned gifts or gifts of appreciated stock or real estate.

You can add to the fund at any time. If the organization you select ceases to exist or changes in mission, the fund can be redirected so that it continues to address your charitable intent.

Community foundations provide a simple, powerful, and highly personal approach to giving. We offer a variety of giving tools to help people achieve their charitable goals.

You can make a gift of cash, stocks, bonds, real estate, or other assets to your community foundation. Most charitable gifts qualify for maximum tax advantage under federal law.
