COMMUNITY HARVEST CAMPAIGN

REAPING THE RESULTS OF LOCAL GIVING

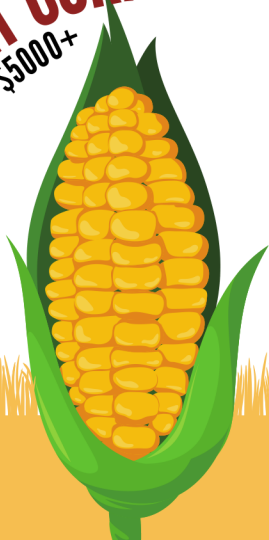

Thanks to the seeds sown by our Founding Members, we are proud to announce that we've already been able to pour more than \$60,000 in funding into our Ross communities. This is only the beginning!

With a bold goal of growing our Community Impact Fund each year we seek to substantially increase the scale of our annual community contributions. This ambitious endeavor will allow us to reap bountiful results, made possible by the power of local giving. By investing in our shared roots and fertile future, we are set to grow together, fostering a thriving community where everyone benefits.

In the last few years, we were already able to support students at our schools, our local food pantry, the Ross Historical Society, programs for our neighborhoods in need and more. We can't wait to see what the next chapter yields!

THE ROSS COMMUNITY FOUNDATION IS YOUR ONE-STOP SHOP FOR LOCAL PHILANTHROPY

The power of the Ross Community Foundation is its ability to bring together people and their resources to make an impact in our communities. You do not have to be a wealthy individual, nor do you need to start a fund to make a difference. Through our Ross Community Impact Fund, gifts are pooled so that everyone plays a role in helping the Ross Community Foundation to change the lives of our community members.
