## A GUIDE TO GIVING OPTIONS

START  
TODAY

LIQUID  
ASSETS

Writing a check or donating online is the simplest way to get started. However, we encourage you to consult your tax professional on ways to maximize the benefits of giving.

PUBLICLY TRADED  
SECURITIES

Gifting appreciated securities, like stocks or bonds, may provide you with significant tax advantages including an immediate deduction, avoidance of capital gains taxes and a reduction in estate taxes.

IRA ROLLOVER

Gifting your required minimum distribution, or more, with no tax consequence to certain fund types is available for those who qualify.

REAL ESTATE

When you donate a gift of real estate – vacation home(s), income property or land – you receive an immediate tax benefit, avoid capital gains and receive a reduction in estate taxes.

PLAN FOR  
TOMORROW

YOUR  
ESTATE  
PLAN

You can designate the Hamilton Community Foundation as a beneficiary in your will with a specific dollar amount or as a percentage of your estate. This is perhaps the easiest and most impactful way to support your community in perpetuity.

RETIREMENT PLAN  
ASSETS

A retirement asset like an IRA account makes an excellent bequest. If the IRA were given to your family, much of the value would be depleted through estate and income taxes. By designating the Hamilton Community Foundation as the beneficiary, the full value of the gift is transferred tax free.

LIFE INSURANCE

This option provides a simple way to add to or create your charitable fund. Simply name the Hamilton Community Foundation as the beneficiary and/or owner of the policy.

PLANNED GIFTS

Charitable gift annuities and trusts are options that create your philanthropic legacy and provide income to you and your heirs.
