

FIELD OF INTEREST FUND

GIVE WITH GUIDANCE

"I applaud Karen Whalen and Joan Witt for having the foresight to create a Field of Interest Fund like the Women's Fund. We are able to do some incredible things for local women and girls as a result."

A PERSONAL CONNECTION

The Women's Fund is a Field of Interest Fund that supports programs and services that address the needs of women and girls in the community.

According to Fund Co-Creator Joan Witt the Fund was established to help women in the community succeed financially, mentally and physically. The second goal was to utilize the Fund to promote female philanthropy.

"We've supported everything from pre-natal care to support groups at nursing homes," says Joan.

The Women's Fund has poured more than \$280,000 into female related causes in the community since its inception. The Fund continues to grow through targeted fund raising.

BENEFITS OF A FIELD OF INTEREST FUND

By establishing a Field of Interest Fund, you can target your gift to address needs in an area important to you. Then, our board awards grants to community organizations and programs that are making a difference in the area you select. Your gift stays flexible enough to meet community needs in your interest area - even as they change over time.

- ♥ **Give where you want** | You determine the focus of your contributions, whether it's human need, education, arts, or other areas, your guidance shapes the direction of your Fund's impact.
- ♥ **Simplify your deductions** | Each gift to your Fund is tax deductible in the year it's made, not with each distribution of funds.
- ♥ **Benefit from market appreciation** | You have the option to invest and grow your gift alongside the Foundation's other assets.
- ♥ **Maximize your tax benefit** | Field of Interest funds can be funded through required minimum distributions of retirement accounts.
- ♥ **Secure online access** | You can view your fund balance and see the impact your Fund is making.
